Company Overview

Providing solutions to difficult projects since 1955, Syblon Reid is an employee-owned ESOP heavy civil contractor based in Folsom, California. We undertake a diverse array of multifaceted projects, from the construction of new facilities necessary to meet the needs of a growing population to the rehabilitation of historic and vital water conveyance and hydro generation facilities that helped build this nation. Syblon Reid offers unique opportunities to become part of a highly-skilled construction team on one-of-a-kind projects in Northern California and the western United States.
